Revitalize your Soul

Carefully designed and elegantly finished common areas allow Al Minal Tower residents to experience the new 21st century type of luxurious living. The highest quality services provided by professionally trained personnels additionally reinforce that living experience.

A modern bedroom interior with a minimalist design. The room features a bed with a dark headboard and white bedding, two dark bedside tables, and a low-profile bench with three pillows. A large wardrobe with dark wood-grain panels and white accents is on the right. The floor is made of light-colored wood planks. A semi-transparent grey overlay with a white diagonal graphic is positioned over the wardrobe area.
